

Important Notice From Eugene School District 4J About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Eugene School District 4J and prescription drug coverage available for people with Medicare. It also explains the options you have under Medicare prescription drug coverage, and can help you decide whether or not you want to enroll. At the end of this notice is information about where you can get help to make decisions about your prescription drug coverage.

1. Medicare prescription drug coverage became available to everyone with Medicare through Medicare prescription drug plans and Medicare Advantage Plans that offer prescription drug coverage in 2006. All Medicare prescription drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Eugene School District 4J has determined that the prescription drug coverage offered in the ODS plan is, on average for all plan participants, **NOT** expected to pay out as much as the standard Medicare prescription drug coverage will pay and is considered Non-Creditable Coverage. **This is important, because for most people enrolled in the ODS plan, enrolling in Medicare prescription drug coverage means you will get more assistance with drug costs than if you had prescription drug coverage exclusively through ODS.**
3. You have decisions to make about Medicare prescription drug coverage that may affect how much you pay for that coverage, depending on if and when you enroll. Read this notice carefully - it explains your options.

Consider enrolling in Medicare prescription drug coverage.

Because the coverage you have with ODS is on average for all plan participants, NOT expected to pay out as much as the standard Medicare prescription drug coverage will pay, consider enrolling in a Medicare prescription drug plan. Individuals can enroll in a Medicare prescription drug plan when they first become eligible for Medicare and each year from November 15th through December 31st. Beneficiaries leaving employer/union coverage may be eligible for a Special Enrollment Period to sign up for a Medicare prescription drug plan.

This may mean that you will have to wait to enroll in Medicare prescription drug coverage and that you may pay a higher premium (a penalty) if you join later and you will pay that higher premium as long as you have Medicare prescription drug coverage.

If you go 63 days or longer without prescription drug coverage that is at least as good as Medicare's prescription drug coverage, your premium will go up at least 1% per month for every month after May 15, 2006, that you did not have that coverage. You will have to pay this higher premium as long as you have Medicare prescription drug coverage. For example, if you go nineteen months without coverage, your premium will always be at least 19% higher than what many other people pay.

Generally you can only join a Medicare prescription drug plan between November 15 and December 31 of any year if you are already enrolled in Medicare Part A and/or Part B. This may mean the number of months you have to wait for coverage will be longer, which could make your

premium higher. If you are not already enrolled into a Part D plan and will be newly eligible, you have a window of 7 months to enroll into a Part D plan – 3 months before, the month you become eligible, and 3 months after – without a penalty being assessed.

Keep in mind your current coverage pays for other health expenses, in addition to prescription drugs. You will still be eligible to receive all of your current health and prescription drug benefits if you choose to enroll in a Medicare prescription drug plan.

You need to make a decision.

When you make your decision, you should also compare your current coverage, including which drugs are covered, with the coverage and cost of the plans offering Medicare prescription drug coverage in your area.

For more information about this notice or your current prescription drug coverage...

Contact the Employee Benefits Office at (541) 687-3491 for further information. NOTE: You will receive this notice annually and at other times in the future such as before the next period you can enroll in Medicare prescription drug coverage, and if this coverage through Eugene School District 4J changes. You also may request a copy.

For more information about your options under Medicare prescription drug coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the “Medicare & You” handbook from Medicare. You’ll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare-approved prescription drug plans. For more information about Medicare prescription drug plans:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see your copy of the Medicare & You handbook for their telephone number) for personalized help,
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

For people with limited income and resources, extra help paying for Medicare prescription drug coverage is available. Information about this extra help is available from the Social Security Administration (SSA) online at www.socialsecurity.gov, or you call them at 1-800-772-1213 (TTY 1-800-325-0778).
